The California Ironworkers Field Defined Contribution Pension Trust Fund (Annuity Plan) can help you get ready for a great retirement. We've created webinars to help you learn:

- How the plan works.
- Debt and budget management.
- Investing basics and principles.
- How to plan for retirement.

You can sign up for all four, or just one. But you must attend one webinar for each topic in 2022. Please sign up at https://webinars.on24.com/Vanguard_IIG/CAIronworkers, or scan this code with your smart phone:
