

# Welding Shop Announcement

Greetings,

The welding shops in San Francisco and Benicia will be opening for testing and continuity books. You can contact Mitchel Kettle Apprenticeship Coordinator at 707-746-7666 to get an appointment .

Due to protocols the space is limited to 5 members testing daily. Call for availability.

You must have all your PPE and welding equipment with you, masks must be worn at all times.

If you are observed not wearing your mask or maintaining six feet from others ,you will be asked to leave the shop.
